

Newsletter No. 12

November 2008

Dear Friends,

It has been a long time since we last communicated and by now winter is slowly on its way to the Peloponnese...

At **Daphne's Club Hotel Apartments** we have closed our doors since the beginning of October. Since then we have, on the one hand tried to catch our breath and relax a little bit (!), and on the hand kept our creativity active by organizing the accommodation of groups. Thus, we remain open for business as a "private" hotel, until Easter 2009 when we will open again.

Should you also wish to make yourself literally at home in our hotel, all you need to do is gather a group of at least 5 apartments (eg. 5 studios, i.e. 10 persons) and you will have the hotel to yourselves for a weekend or more! A perfect excuse to organize a countryside excursion with your friends or extended family, with relaxing evenings by the fireplace!

Our news briefly:

-  Two new webpages are available on our website: one in [Italian](#) and one in [Spanish](#).
-  We have uploaded photos of the [3rd oriental dance workshop](#), which took place in September. We have also announced the dates for the 4th oriental dance workshop, which will take place in September 2009. The brochure will also soon be available.
-  We have uploaded pictures of the [local children's tennis championship](#), which we sponsored in August 2008.
-  We have created 3 new webpages, which should provide you with lots of inspiration for the organization of your excursion in our area: "[Archeological sites](#)", "[Monasteries and churches](#)" & "[Places of natural beauty](#)".

I wish you all the best and hope to welcome you soon at our hotel!
