

## Newsletter No. 16

June 2009

*Dear Friends,*

What are your plans for the summer holidays? Still undecided? Well, the good news is that there is still time to book your favorite apartment at Daphne's Club! And we have a number of interesting news to tempt you to visit our small corner of the planet!

 Our wonderful **roof garden** has been renovated... again! It is a great place to relax in the afternoon and read your book, enjoying the cool sea breeze.

 We bought new **beach chairs** for you to take to the beach.

 We have equipped all the bathrooms with a **LUX shampoo & shower gel** dispenser. It is luxurious and eco at the same time! No disposable little bottles to litter our already far-too-littered planet...

 We have inaugurated an important new collaboration with the transfer company **Global Transfer Services Ltd.** This means that now you can book your transfer online, at the same time as you book your stay at Daphne's Club!

 Inspired by friend photographer David Ball, we launched a brand new activity in May: **photo safaris**. Just imagine! With Daphne's Club as your base you can take magnificent pictures of wild mountains, crystal blue seas, ancient rocks, intriguing monasteries and more!

 A year after the launching of the excursions booklet "**Daphne's Club Excursions Volume 1**", which has been a big hit among our visitors, we have now launched the real thing"! Sit back, dream of the places you would like to visit, tell us all about it. We will arrange your transport and your guide, as well as your meals if you so wish!

 Last but not least: Daphne's Club was in the **newspaper "Ta Nea"**, the most widely circulating Greek daily, on June 22<sup>nd</sup>, in a two-page article describing our, and other hotels', environmental policies.

I wish you all the best and hope to welcome you soon at our hotel!
