

Newsletter No. 19

October 2009

Dear Friends,

Autumn is now firmly established among us here in Sykia and we even felt a touch of winter today... The time has therefore come for us at **Daphne's Club** to say goodbye to you for a few months, to sit back and relax, and to plan for next year's spring and summer season.

We hope that the 2009 summer season was enjoyable for you, that you "filled up your batteries", as we say in Greece, and that you have gone back to work rejuvenated and happy. We also hope that you will take advantage of the beauty of the winter months to visit new places, view new landscapes and indulge in your favorite winter sports! In the meantime, we at **Daphne's Club** will be creating new spaces and activities to enhance your future stays at our hotel. We will also be further exploring our region in order to present to you new sites and sights worth visiting!

In closing, we would like to remind you that our price list for 2010 is already available at our website (www.daphnesclub.com – Price lists – Accommodation price list) and that you can take advantage of our early booking special offer (-15% for bookings of +7 days) until March 2010.

I wish you all the best and hope to welcome you soon at our hotel!
