June 2010

Dear Friends,

The financial crisis might be hitting Greece especially hard, but at **Daphne's Club Hotel Apartments** we remain firm in our commitment to offer our guests genuine hospitality, to ensure good working conditions for our staff, to protect the environment and to contribute to the local economy, even while multiplying our offers and lowering our prices. So now is really the very best time to visit Greece in general and **Daphne's Club** in particular!

Our latest news (and there is plenty of it!):

As already mentioned, we strive to make our hotel constantly better. To this effect we have now upgraded your sleeping experience by purchasing new **COCO-MAT** pillows. Each main bed will now have two pillows: "Morpheas", a soft pillow made of 30% goose feathers and 70% baby goose down and "Narkissos", an orthocervical pillow made of natural rubber. **Coco-mat**, by the way, is our favorite Greek company: we love its design and concept, but most of all we love its eco-friendliness and its excellent track record in social and workplace related issues.

On our own eco-front, we applied and successfully fulfilled the requirements for one more eco-label: the international **Green Key!** To find out more about the **Greek Key** scheme visit www.green-key.org/

We have refreshed our homepage with more photos, our last minute offers and a direct link to testimonials by our guests on tripadvisor.com

Still on the subject of the internet, as demand was high for the [recipes for the cakes and breads](#) we serve for breakfast (and some other specialties too!) we have added a page where we divulge our kitchen secrets!

New special offer!! A [special offer for single parent families](#) has been posted. We sincerely hope that it will make the already herculean task of traveling alone with children somewhat easier...

Many of you have been interested in buying **high quality local products** to take back home as gifts. For this reason we have created a small gift corner, where you can buy local organic products for your loved ones: olive oil, wine, jams and homemade soaps.

Still on the subject of loved ones, would you like to offer a stay at **Daphne's Club** as a gift to a friend or relative? You can do so now with our special **Gift Voucher**. You can choose to offer accommodation in any of our apartments, as well as breakfast, transfer and even very special things just for them, such as fresh flowers upon arrival, wine, a bio gift box with local products, or anything else you might think of! Read more by clicking [here](#).

Last but not least, we know that many of you would like to spend some days in Athens, but prefer an apartment to a hotel. So from the 1st of October you will have at your disposal the "**Pink flat**", a beautiful 2-room apartment in the posh neighborhood of Kolonaki, a 3 minute walk from the best shopping area of Athens, a 10 minute walk to the central Parliament square and a 20 minute walk from the Acropolis and the new Acropolis museum. Read more [here](#).

I wish you all the best and hope to welcome you soon at our hotel!
