

### **Environmental actions 2008**

1. Application for the EU «Ecolabel» environmental certification and successful awarding of the said label
2. Sending of energy and water consumption data to Green Globe 21 and reception of benchmarking report
3. Purchase of eco printer paper
4. Purchase of eco toilet paper
5. Extension of recycling system to all floors
6. Purchase of more eco light bulbs
7. Purchase of more bicycles
10. New collaborations for the provision of bio products for our breakfast (eg. honey from APIPHARM; nuts, flour, condensed milk from TROFINO)
11. Analysis of our sea water
12. Printing of our hotel's post cards on eco paper
13. Purchase of composter for the recycling of organic waste
14. Creation of a "cat and dog feeding station" for the recycling of the organic waste that cannot be composted in the normal composter (eg. meat)
15. Awareness-raising about the EU environmental label «Ecolabel» among other members of the Xylokastro hotel association
16. Sending of awareness-raising material about the WWF program «Check out for Nature» and the EU environmental label «Ecolabel» to other hotels in Greece
17. Replacement of a number of mattresses with new «Ecolabeled» ones
18. Installation of automatic watering system on the roof garden
19. Purchase and provision of Greek bio beer «Peiraiki» and Greek bio wine «Gioulis Estate» at our bar
20. Participation in the demonstration against the installation of coal-burning electricity plants on the Corinthian Gulf
